

Undergraduate Programs

Chongqing University enrolls full-time international undergraduate students. The normal duration of programs is 4 years (5 years for Architecture, Urban Planning and Landscape Design, etc.). The language of instruction is Chinese (CQU-UC Joint CO-OP Institute in English-taught). Students are required to complete the curriculum, fulfill the designated credits, complete the bachelor's thesis and defend it in front of a panel of experts. Successful graduates will receive a graduation certificate along with the bachelor's degree.

Application deadline: May 31st

Majors

School of International Education

- Teaching Chinese to Speakers of Other Languages

School of Electrical Engineering

- Electrical Engineering and Automation

College of Mechanical Engineering

- Robot Engineering
- Machine Design-Manufacture and Automation
- Mechatronic Engineering

School of Energy and Power Engineering

- Thermal Energy and Power Engineering
- Energy and Engineering

School of Resources and Safety Engineering

- Mining Engineering
- Safety Engineering

College of Materials Science and Engineering

- Material Science and Engineering
- Metallurgical Engineering
- Material Forming and Control Engineering

College of Mathematics and Statistics

- Mathematics and Applied Mathematics
- Information and Computational Science
- Statistics

College of Arts

- Product Design
- Environmental Design
- Visual Communication Design
- Painting
- Dance Performance
- Music Performance

School of Civil Engineering

- City Underground Space Engineering
- Building Environment and Energy Application Engineering
- Civil Engineering

School of Management Science and Real Estate

- Real Estate Development and Management
- Project Management
- Project Costing
- Financial Management

College of Physics

- Physics
- Applied Physics

College of Environment and Ecology

- Environmental Engineering
- Environmental Science
- Environmental Ecological Engineering
- Water Supply and Drainage Engineering

School of Automotive Engineering

- Vehicle Engineering
- Industry design

College of Optoelectronic Engineering

- Test and Control Technology and Instrumentation
- Optoelectronic Information Science and Engineering

School of Microelectronics and Communication Engineering

- Communications Engineering
- Electronic Information Engineering
- Integrated Circuit Design and Integrated System

School of Automation

- Automation
- Logistics Engineering

College of Computer Science

- Computer Science and Technology

School of Big Data & Software Engineering

- Software Engineering

College of Aerospace Engineering

- Engineering Mechanics
- Aerospace Engineering

School of Chemistry and Chemical Engineering

- Applied Chemistry
- Chemical Engineering and Technology
- Pharmaceutical Engineering

Bioengineering College

- Bioengineering

School of Life Sciences

- Biological Science

Liberal Arts College

- Chinese Language and Literature
- History
- Philosophy

School of Law

- Law

School of Economics and Business Administration

- Business Administration
- Accounting
- Marketing
- Information Management and Information System
- Logistics Administration
- Finance
- Energy Economics

School of Public Affairs

- International Economy and Trade
- Economics
- Urban Management
- Administration Management

School of Journalism and Communication

- Broadcasting and Television
- Journalism

School of Foreign Languages and Cultures

- German
- Japanese
- English

School of Architecture and Urban Planning

- Architecture
- Urban Planning
- Landscape Architecture

Meishi Film Academy

- Acting
- Broadcasting and Hosting
- Broadcasting & Television Editing and Directing
- Drama, Film and TV Directing
- Script Writing
- Drama, Film and TV Artistic Design

College of Physical Education

- Sports Education

CQU-UC Joint CO-OP Institute (English-taught)

- Electrical Engineering and Automation(Sino-US educational joint program)
- Machine Design, Manufacture and Automation(Sino-US educational joint program)

Fees (RMB)

Application Fee		400 RMB
Tuition Fee	Liberal Arts	14000 RMB/Year
	Sci., Eng., Econ., Busin., Law	16000 RMB/Year
On-Campus Accommodation Fee	Film, Arts	20000 RMB/Year
	Single Room	5,000 RMB/Person/Semester, 10,000 RMB/Person/Year
	Double Room	2,500 RMB/Person/Semeste, 5,000 RMB/Person/Year
Insurance Fee		800 RMB/Year

Note: the above rates are subject to change.
