- Business Administration (Ph.D. )

### School of Chemistry and Chemical Engineering

- Chemistry (Master)
- Chemistry (Ph.D. )
- Chemical Engineering and Technology (Master)
- Chemical Engineering and Technology (Ph.D. )

### College of Mechanical Engineering

- Mechanical (Master)
- Mechanical Engineering (Ph.D. )

### School of Electrical Engineering

- Energy and Power (Master)
- Electrical Engineering (Ph.D. )

### School of Energy and Power Engineering

- Energy and Power (Master)
- Power Engineering and Engineering Thermophysics (Ph.D. )

### School of Resources and Safety Engineering

- Resource and Environment (Master)

### College of materials science and Engineering

- Materials Science and Engineering (Master)
- Materials Science and Engineering (Ph.D. )
- Metallurgical Engineering (Master)
- Metallurgical Engineering(Ph.D. )

### College of Aerospace Engineering

- Mechanical (Master)

### School of Automotive Engineering

- Mechanical (Master)
- Mechanical Engineering (Vehicle Engineering)(Master)
- Mechanical Engineering (Vehicle Engineering)(Ph.D. )

### School of Architecture and Urban Planning

- Landscape Architecture (Master)
- Landscape Architecture(Ph.D. )
- Urban and Rural Planning (Master)
- Rural and Urban Planning (Ph.D. )
- Architecture (Master)
- Architecture (Ph.D. )

### School of Microelectronics and Communication Engineering

- Electronic Information (Master)
- Information and Communication Engineering(Ph.D. )

### College of Computer Science

- College of Computer Science (Master)
- Computer Science and Technology(Ph.D. )
- Electronic Information (Master)

### School of Big Data & Software Engineering

- Software Engineering (Master)
- Software Engineering(Ph.D. )

### School of Management Science and Real Estate

- Project Management (Master)

### School of Environment and Ecology

- Resource and Environment (Master)

### College of Optoelectronic Engineering

- Optical Engineering (Master)
- Optical Engineering (Ph.D. )
- Instrument Science and Technology (Master)
- Instrument Science and Technology (Ph.D. )
- Electronic Information (Master)

### College of Bioengineering

- Biomedical Engineering (Master)
- Biomedical Engineering(Ph.D. )

### School of Civil Engineering

- Civil Engineering (Master)
- Civil Engineering (Ph.D. )

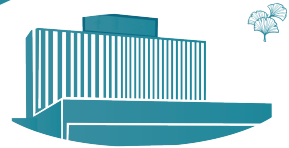

## Fees (RMB)

Application Fee		400 RMB	
Tuition Fee	Master programs	Project Management, Biomedical Engineering, Energy and Power, Mechanical Engineering (Vehicle Engineering), Mechanical, Computer Science and Technology, Electronic Information, Resource and Environment, Materials Science and Engineering, Metallurgical Engineering	3,000 RMB/Year
		Civil Engineering, Software Engineering, Landscape Architecture, Urban and Rural Planning, Architecture, Optical Engineering, Instrument Science and Technology, Chemistry, Chemical Engineering and Technology	3,500 RMB/Year
	Ph.D. programs	International Master of Business Administration (IMBA)	4,900 RMB/Year
		Business Administration	3,400 RMB/Year
		Biomedical Engineering, Chemistry, Chemical Engineering and Technology, Materials Science and Engineering, Metallurgical Engineering	3,500 RMB/Year
		Electrical Engineering, Information and Communication Engineering, Mechanical Engineering, Mechanical Engineering (Vehicle Engineering), Power Engineering and Engineering Thermophysics, Optical Engineering, Instrument Science and Technology, Computer Science and Technology, Software Engineering	3,600 RMB/Year
Civil Engineering, Architecture, Landscape Architecture, Urban and Rural Planning	3,800 RMB/Year		
On-Campus Accommodation Fee	Single Room	5,000 RMB/Semester 10,000 RMB/Year	
	Double Room	2,500 RMB/Semester 5,000 RMB/Year
