

Chulalongkorn University

Thailand's first institution of higher education, was founded in 1917 by King Vajiravudh, to honor his father, King Chulalongkorn, whose reign marked the beginning of modern education in Thailand. Since its inception, Chulalongkorn University has maintained a reputation for the excellence of its academic standards. Ranked as the top university in Thailand by the QS University Rankings, this comprehensive university offers a wide range of programs, both regular and international, at the undergraduate and graduate level.

Admission

Undergraduation Programs

There are two admission rounds, Early Admissions and Admissions. You can visit the following link for more information: <https://www.chula.ac.th/en/academics/admissions/undergraduate-admissions/>

Graduate Programs

The application period is set by each faculty. However, the usual schedule is to open applications from February to May* of every year. For more information, please visit the official website of the faculty of choice. <https://www.chula.ac.th/en/academics/admissions/graduate-admission/>

**The requirements and application terms are subject to change depending on current circumstances.*

Student Exchange Program

Open for Application

Fall Semester : January - March
Spring Semester : June - August

Academic Calendar

Semester	Period	Trimester	Period
Fall	August - December	First Semester	August - November
Spring	January - May	Second Semester	December - March
Summer	June - July	Third Semester	April - August

Innovations for Society

VARIETY OF ACTIVITIES

Undergraduate Programs

Faculty of Architecture

- Architectural Design (INDA)
- Communication Design (CommDe)

Faculty of Arts

- Language and Culture (BALAC) ★

Faculty of Commerce and Accountancy

- Business Administration (BBA)

Faculty of Communication Arts

- Communication Management (BCM)

Faculty of Economics

- Economics (EBA)

Faculty of Engineering

- Aerospace Engineering (AERO)
- Automotive Design and Manufacturing, and Electric Vehicle Engineering (ADME-V)
- Chemical and Process Engineering (ChPE)
- Information and Communication Engineering (ICE)
- Nano Engineering (NANO)
- Robotics and Artificial Intelligence Engineering (Robotics AI)

Faculty of Law

- Business and Tech Laws (LLBel)

Faculty of Medicine

- Doctor of Medicine (CU-MEDi)

Faculty of Political Science

- Politics and Global Studies (PGS) ★

Faculty of Psychology

- Psychological Science (JIPP) ★

Faculty of Science

- Applied Chemistry (BSAC)
- Biotechnology (BBTech)

Chulalongkorn School of Integrated Innovation

- Integrated Innovation (BAScii)

International Programs 2023

“ To take the lead in creating knowledge and innovations that will build and support a sustainable society.

Master's Degree Programs

College of Population Studies

- Population Policy and Human Development

College of Public Health Sciences

- Public Health ★
- Public Health Sciences

Faculty of Allied Health Science

- Food and Nutrition
- Molecular Science of Medical Microbiology and Immunology ■
- Clinical Biochemistry and Molecular Medicine ■

Faculty of Architecture

- Architectural Design
- Urban Strategies

Faculty of Arts

- Information Studies
- Thai Studies

Faculty of Commerce and Accountancy

- Business Administration ■
- International Business Management
- Finance
- Financial Engineering
- Marketing and Branding ■

Faculty of Communication Arts

- Strategic Communication Management

Faculty of Dentistry

- Esthetic Restorative and Implant Dentistry
- Geriatric Dentistry and Special Patients Care
- Operative Dentistry
- Oral Biology

Faculty of Economics

- Applied Economics
- Business and Managerial Economics

Faculty of Education

- Teaching English as a Foreign Language

Faculty of Engineering

- Civil Engineering ★ ■
- Chemical Engineering ★ ■
- Computer Engineering ■
- Electrical Engineering ★ ■
- Engineering Management ★
- Environmental Engineering ■
- Georesources and Petroleum Engineering
- Mechanical Engineering ■
- Nuclear Engineering ■
- Railway Vehicles and Infrastructure Engineering ▲
- Water Resources Engineering ■

Faculty of Fine and Applied Arts

- Curatorial Practice

Faculty of Law

- Business Law

Faculty of Medicine

- Clinical Sciences
- Health Development
- Medical Physics ■
- Medical Sciences

Faculty of Pharmaceutical Sciences

- Industrial Pharmacy ■
- Pharmaceutical Care ■
- Pharmaceutical Sciences and Technology ■
- Pharmacology and Toxicology ■
- Social and Administrative Pharmacy

Faculty of Political Science

- International Development Studies ★

Faculty of Psychology

- Social Psychology ■

Faculty of Science

- Applied Polymer and Textile Technology ★ ■
- Ceramic Technology ★ ■
- Chemistry ■
- Computer Science and Information Technology
- Food Science and Technology ★
- Green Chemistry and Sustainability
- Industrial Toxicology and Risk Management ■
- Microbiology and Microbial Technology ★
- Petroleum Geoscience

Faculty of Veterinary Science

- Veterinary Science and Technology

Graduate School

- Cultural Management
- English as an International Language
- Environment, Development and Sustainability ★
- European Studies
- Hazardous Substance and Environmental Management
- Korean Studies
- Music Therapy
- Nanoscience and Technology
- Southeast Asian Studies

Petroleum and Petrochemical College

- Petrochemical Technology ▲
- Petroleum and Energy Technology ▲
- Polymer Science ▲

SASIN School of Management

- Executive MBA
- Flexible MBA ★

Doctoral Programs

College of Public Health Sciences

- Public Health
- Public Health Sciences

Faculty of Allied Health Science

- Food and Nutrition
- Molecular Science of Medical Microbiology and Immunology ■
- Clinical Biochemistry and Molecular Medicine ■

Faculty of Arts

- Information Studies
- Geography and Geoinformatics
- Thai Studies

Faculty of Commerce and Accountancy

- Business Administration

Faculty of Dentistry

- Dental Public Health
- Orthodontics ▲
- Oral Biology ★

Faculty of Economics

- Economics

Faculty of Education

- Education System Management Leadership

Faculty of Engineering

- Civil Engineering
- Chemical Engineering ■

- Computer Engineering ■
- Electrical Engineering ■
- Environmental Engineering ■
- Georesources and Petroleum Engineering
- Mechanical Engineering ■
- Nuclear Engineering ■
- Water Resources Engineering ■

Faculty of Medicine

- Clinical Sciences
- Biomedical Sciences and Biotechnology ▲
- Medical Physics ■
- Medical Sciences

Faculty of Nursing

- Nursing Science

Faculty of Pharmaceutical Sciences

- Industrial Pharmacy ■
- Pharmaceutical Care ■
- Pharmaceutical Sciences and Technology ★ ■
- Pharmacology and Toxicology ■
- Social and Administrative Pharmacy

Faculty of Political Science

- International Development Studies ★

Faculty of Psychology

- Social Psychology ■

Faculty of Science

- Chemistry ★ ■

- Computer Science and Information Technology
- Green Chemistry and Sustainability
- Industrial Toxicology and Risk Management ■
- Materials Science ★ ■
- Microbiology and Microbial Technology ★
- Sustainable Materials and Technology for Industries ▲

Faculty of Veterinary Science

- Veterinary Science and Technology

Graduate School

- Bioinformatics and Computational Biology ■
- English as an International Language
- Environment, Development and Sustainability
- European Studies
- Hazardous Substance and Environmental Management
- Logistics and Supply Chain Management
- Medical Microbiology
- Nanoscience and Technology

Petroleum and Petrochemical College

- Petrochemical Technology ▲
- Polymer Science ▲

SASIN School of Management

- DBA

Higher Graduate Diploma Program

Faculty of Dentistry

- Clinical Sciences in Oral Pathology

- ▲ Joint Degree with International Partner University
- ★ Double Degree with International Partner University
- Regular program but taught in English

Fees for International Student

International Student	Fee/Year (USD)	Remark
Undergraduate (4 years)	8,000 - 12,000	39,000 (MD)
Graduate (1-5 years)	6,000 - 17,000	23,000-62,000 (Sasin) 31,000 (orthodontics)
